POST COMMANDERS REPORT

Greetings Comrades,

Hope everyone had a safe and happy St. Patrick's Day. Congratulations to Craig Finnerty, winner of the Henry 30/30 Lever action Drawn in March. We now have a Bear Cross Bow hunting package, tickets available at the bar, \$20.00 each, only 100 tickets to be sold. Money goes to the building fund.

As soon as the weather breaks, temps above 50 degrees we will have the roof finished. Then we are siding the building and new digital sign will be installed out front. We have price on siding from Ware Butler and we are getting the price for labor out to bid. We have a deposit on the digital sign. It takes about 4 weeks to be delivered.

HARVELL-BISHOP ARNOLD TRAIL
POST #7865

APRIL 2024

Happy Spring to all my Auxiliary Sisters and Brothers;

I am looking forward to seeing you at the Auxiliary Meet & Greet on Sunday, April 28, at 11am at the Post. We will share brunch together, take some time to get to know one another, and play a game to learn a bit about the Auxiliary. Come join the fun. Prizes and give-a-ways! Please **RSVP** and let us know you are coming, thank you. vfwauxpost7865@gmail.com

The Auxiliary continues to provide care and comfort items to veterans at Togus. We appreciate all the help from others, those who place items in the care and comfort item box in the bar and those who donate cash for the purpose. Special thanks to member Dan Pomerleau for the donation of beef jerky packets that was placed in the bar for donation. The money collected will be used to continue to provide for our veterans.

The Auxiliary continues to provide lunch once a month at the Post's Texas Hold-em games (1st & 3rd Sundays). Funds raised from the lunch are earmarked to the Auxiliary's Relief Fund.

Our next Paint Night is April 18, 6pm at the Post. 25\$ each includes all supplies. Cash bar available.

Sending special thanks to Brenda Flanagin and Eleanor Jo Leblanc for the hours they spent at the Polls.

YOUTH SCHOLARSHIP OPPORTUNITIES

Are you a Veteran in crisis or concerned about one?

Voice of Democracy (VOD) Scholarship - Established in 1947, the Voice of Democracy audio-essay program provides high school students with the unique opportunity to express themselves in regards to a democratic and patriotic-themed recorded essay. Each year, nearly 25,000 ninth through 12th grade students from across the country enter to win their share of more than \$1 million in educational scholarships and incentives awarded through the program. The 2024-25 theme is: "Is America Today Our Forefathers' Vision?"

The national first place winner receives a \$35,000 scholarship paid directly to the recipient's American university, college or vocational/technical school.

Patriot's Pen (PP) Scholarship - Conducted nationwide, this VFW-sponsored youth essay competition gives students an opportunity to write essays expressing their views on an annual patriotic theme. The 2024-25 theme is: "My Voice in America's Democracy?" Each year, nearly 68,800 students in sixth through eighth grades enter the VFW's Patriot's Pen youth essay contest for a chance to win their share of nearly \$1 million in state and national awards. Each first-place state winner receives a minimum of \$500 at the national level, and the national first place winner wins \$5,000! Please encourage the young people in your life to participate. Find entry forms at the following website: <https://www.vfw.org/community/youth-and-education/youth-scholarships> VOD and PP scholarship entries competing at the Post level must be in the hands of VFW Post by midnight, Oct. 31, 2024.

Please continue to do your good works, your selfless focus on others is commended. Our veterans and community are better that you exist!

Be well!

Eula

Our **April Regular Monthly Auxiliary Meeting** is Tues. **April 9, 7pm**, at the Post!

NOMINATIONS WILL BE HELD

Sunday, April 28, 11am
The "Auxiliary Meet & Greet". Come have brunch, receive some goodies, and enjoy some camaraderie!

According to new.va.gov...

Beginning March 5, VA is making three new groups of Veterans eligible for VA health care years earlier than called for by the PACT Act:

- Veterans who were exposed to toxins or other hazards during military service;
- Veterans who were assigned to certain duty stations in Southwest Asia or parts of Africa; and
- Veterans who deployed in support of certain operations after 9/11.

Here's what that means for Veterans:

If you served in Vietnam, the Gulf War, Iraq or Afghanistan, you can enroll.

If you deployed to any combat zone after 9/11, you can enroll.

If you deployed in support of the Global War on Terror, you can enroll.

And even if you never deployed but were exposed to toxins or hazards while training or serving on active duty here at home—by working with chemicals, pesticides, lead, asbestos, certain paints, nuclear weapons, x-rays, and more—you can enroll, too.

Bottom line: all Veterans who meet the basic service and discharge requirements and were exposed to toxins and other hazards—at home or abroad—are eligible to enroll in VA care beginning March 5.

This is the biggest expansion of care in generations, and VA wants you to apply as soon as possible.

It's quick and easy to enroll. You don't need to be sick or file a claim to become eligible; all you have to do is show that you served in one of those locations or operations, or participated in one of the activities that could have exposed you to toxins or hazards. VA health care is proven to be the best, most affordable care in America for Veterans, and Veterans who come to VA have better health outcomes.

Even if you don't think you need this care today, you might need it tomorrow, or the next day, or 30 years from now. All you have to do is enroll; then you have access for life.

Don't miss this opportunity: better, more affordable health care is waiting for you. Go to VA.gov/PACT and get it.

American Red Cross

Northern New England Region

The Veterans History Project of the American Folk life Center at the Library of Congress collects, preserves, and makes accessible the personal accounts of American war veterans so that future generations may hear directly from veterans and better understand the realities of war. The American Red Cross assists the Library in these efforts by video recording veterans' oral histories across Maine, New Hampshire and Vermont. While the Library is specifically seeking histories of American wartime veterans, the American Red Cross will interview any veteran for personal preservation.

If you are a veteran that is interested in being interviewed, or would like to become an interviewer, please contact the American Red Cross of Northern New England
